WHAT IS THE MICHIGAN RESTAURANT SHOW?

The Michigan Restaurant Show, produced by the Michigan Restaurant Association (MRA), is the premier foodservice industry tradeshow in Michigan. The Show

is where this diverse and dynamic industry comes together – where restaurateurs meet, learn and collaborate to grow their businesses and become more profitable.

The MRA was founded in 1921, and represents approximately 4,500 Michigan foodservice establishments. The industry plays an integral role in Michigan's economy, employing more than 421,500 people and generating \$15.4 billion in annual sales.
